

## Pierce Antone Warner

June 9, 2007 - February 28, 2024

Pierce Antone Warner, age 16, of Schwenksville, Pennsylvania, passed away unexpectedly after a brief illness, on Wednesday, February 28, 2024, with his Mother by his side. Born on June 9, 2007, in Savannah, GA, he was the son of Jessica (Senkus) and Pierre Warner.

Pierce was a nice, sweet, kind boy, who kept to himself and didn't have a vindictive bone in his body. However, he was also loud, rambunctious, and a force to be reckoned with. If he was around you knew he was there.

Pierce's short 16 years were filled with so much excitement. He enjoyed vacations especially times at the beach. He loved the water and would swim year round in the family swim spa. He loved riding rollercoasters and always was looking forward to family trips to Knoebels every year for his birthday.

Pierce loved his collection of beanie boos, listening to classical music, and looking at old Renaissance paintings. He loved spending time in school, never complained about going, and never wanted to miss a day. He was loved by all of his teachers, aides, and bus drivers, and for that, the family would like to thank those individuals for always loving and supporting him.

He spent most of his free time creating animation, editing videos, and generating sound effects which he would share with his friends on his

YouTube channel: <https://www.youtube.com/@autisavision5309>. He was very proud to have recently reached 1 million views on his Channel.

Pierce brought so much joy to his family. He was a light in such a dark world and would light up a room. He always had a smile and liked being around a lot of people and chaos. He loved going to baseball games or the strip in Las Vegas because he felt the connection to the loud environments and felt like he fit in.

In addition to his parents, Pierce is survived by his sisters: Jade and Jewel Warner; maternal grandmother: Romona (Rick) Dietz; paternal grandmother: Jane (John) Lane; paternal grandfather: Pedro Warner; special aunt: Janine Garrity; and many additional aunts, uncles and cousins.

In lieu of flowers, memorial contributions may be made in Pierce's name to the Spring-Ford Educational Foundation, 857 South Lewis Road Royersford PA 19468. Please memo: "Pierce Warner Memorial". A fund has been setup to support the Spring-Ford School District special education program by funding classroom resources so others like Pierce can reach their full potential. Monetary donations will be used to purchase classroom supplies and fund trips and activities for those with special needs.

Arrangements are being handled by the Cattermole - Klotzbach Funeral Home. Condolences may be offered online at [www.RoyersfordFuneralHome.com](http://www.RoyersfordFuneralHome.com).

“ Sweetest Pierce, I want to thank you for the joy you blessed me with each time I seen you. It may not have been as many times as I would have loved but it was enough times that you filled my heart without even knowing. You are a great soul and God blessed me with your presence. Thank you for the smiles and the laughter with your “ are you done “. You are not only a great soul but a beautiful one at that. Now you can fly freely and walk with your family. You are and will be greatly missed and tremendously LOVED forever !

“ Pierce was truly one of a kind...From his serious face to his huge smiley face, each day teaching him was a blessing. He taught me many things: how to find his YouTube channel, how much faster than me he could run and how much he loved gummi bears...lol. Those invaluable memories were and will always will remain close to my heart. One of my most salient memories, as a teacher, is courtesy of Pierce. I sent a small note home to him, via postal mail, just to say he was doing a nice job in school. Pierce's reaction to that note was priceless. His mom shared that Pierce was truly surprised- not by the contents of the note though. "Mrs. Bilardo knows where I live?" I still laugh from time to time when I remember his mom sharing that with me. Pierce, may you bounce around Heaven and spread some of your awesomeness to the angels.

“ *I worked with Pierce and am so saddened by the news of his passing. Pierce was such a wonderful young man. His smile was endearing and couldn't help but brighten the day. He always wanted to please, even when he wasn't feeling the work presented. Pierce was a bundle of energy with a spring in his step reminiscent of Tigger. He was quite the athlete too, winning the badminton tournament with his partner in gym. I especially loved his non-filtered outbursts and sound effects, which often caught me by surprise and made me laugh. Pierce will not be forgotten.*

“ I visited my nephew Pierre and his family recently and everyone was so loving to me! Pierce came running up to me every day with a big “Hello Sarah” and then ran off again! After I left he said to his Dad “what did you do with Sarah?” These are memories I’ll always remember of Pierce! Sending my love to all of you!
