“ Mrs. Good & Family - so so sorry for your loss! Unbelievable. Polly was one of the sweetest gals that I knew. Just a beautiful person, inside and out. She always made zucchini bread for my boys and she and I shared recipes and cooking tips. Polly always sent my sons cards for Halloween, etc. and gave them cool treats. Two of them - springy-type goblins "ornaments" - have been placed on our Christmas tree for many many years.
That is a beautiful video that I viewed above. We share your grief. Many tears here. God bless and she is in my prayers. Heather O'Brien Dhue and family.
(I hope that I posted this correctly this time.)

“ To my "BFF" of 34 years....We met at QYX making typewriters, I think like 1980. We worked with your mom---- I thought that was so cool! I was slightly younger than you, but in the past few years I definitely feel that somehow I caught up to you!! :) You took me under your wing and took me places, soooooo many places I had never been before. Our birthdays were close so we always got together. I think my fondest memories were the "Girlfriend Sleepovers". X-mas at my house and then summer sleepovers at Jamie's down at the shore. Making good food in the kitchen, doing "mud facials" on each other and then laughing hysterically like a bunch of school girls til we all fell asleep. We had a wonderful circle of friends. "We", were going to grow old together, But... God has suddenly decided to take you home. I will be lost without you!!!! So until we meet again, Your memory and amazing fun spirit will live on in my heart forever! To "ALL" the Good family especially "Mom Jean", I send you my love and sympathy. May you find peace and comfort that Polly is now enjoying time with her dad and brother Bob, Love Terry! RIP, "Pood" I Love You!!! XOXOXOXO, Your "BFF", Terry!

Mrs. Good and family, what terrible news, I have just heard about Polly's passing and found this on a web search. I too met Polly at Qyx, we worked together, then dated for a while. Polly was a sweet person, kind and loving. We lost touch for a very long time and then saw each other about fifteen years ago, but again, were out of touch. I have many good memories of her, oddly enough I came across an old address book with her number so she was in my thoughts.

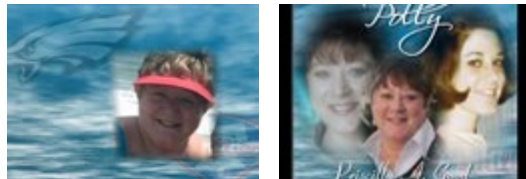

May she rest in peace.

“ I'll always remember the day Polly took me to the Christmas Village in the middle of summer. We had a great day together in my VW Bug. She showed me parts of PA I had never seen before. On the way home to Aunt Jean's we stopped at Gram's to see if we could do anything for her or if she needed anything. She said she did not need anything. She had just made a batch of sour cream or cream cheese cookies and offered us some. They were so good and we were so hungry! I never had these cookies before and I asked Gram how many could we have. She said have as many as you want! Polly and I ate every last one of them! Gram was so mad!!!!!! Polly and I laughed and kissed Gram and thanked her profusely. Thank goodness Gram had more dough to make more cookies for herself :)

Love you Polly and will miss you. XO Your Cousin, Laura MacFadgen

“ I was shocked and saddened to hear of Polly's passing. No one story can share the memories and special times I had with Polly and her family. Walking to school together every day, Mrs. Good feeding me lunch every Wednesday, playing at Polly's house with her siblings, and so much more. My sympathy is with the entire family. Polly was a very special person that we will all miss.

“ *I have heard the story, frequently throughout the years, how my mom was leaving the hospital after just having me, as Aunt Jean was entering the hospital to have Polly. We were born just 4 days apart. It's really hard to believe she is gone!*

Being cousins, we had more than a few "funny" stories from our childhood antics but 1 that stick in my mind is; the time that I was over playing with Polly at Aunt Jeans and her and I found a stray cat. I took the cat home and convinced my mom to let me keep her. What a surprise we had when 3 little gray kittens showed up after only a few months!

Aunt Jean, Carol and Tim, words cannot express how deeply saddened and shocked I was to here of Polly's passing. Please know that Peter, Alex and I are thinking of all of you and sending all of you our Deepest Sympathy and Love.

All my Love and Sympathy, Jeanette

“ I met Polly on a first date with Dave. He brought her along. That was 25 years ago. Dave and I didn't last but Polly and I sure did. She was like a big sister to me. I'm so sad that she has gone home to be with god. I wish I had one more day just to see her. I find myself calling her cell phone just to hear her voice. Good bye my friend. I love you!

“ I met Polly thru her brother, Bobby at their family home during one of many celebrations of life the Good family had. My date was a good friend of Bobs' and I was the total stranger. Polly made me feel so welcome and her smile would light up a room.

Through the years, when our paths crossed, that smile always had the same effect.

Carol, Tim and Mrs. Good, She is smiling down on us today, along with Wayne, Bob and her father.

My love and sincere sympathy, Polly Egee
