“ To My Aunt Mille, No words can express how much I loved Uncle Jack. My memories of him are so wonderful. My first trip to Brandywine Race Track.....he made sure I came home a winner. His visits with Jimmy to visit me at the Phoenixville Funeral Home, to tell me a story, make sure I was okay, or needed anything. Looking through his scrapbook, and sharing his good old days with us. The Most Eligible Batchelor in Town! He certainly was a Gem To Us! Please know I am only ever a phone call away, and will do anything at all with you or for you. You will never be alone. We will always be here for you. Lastly, thanx for allowing me the opportunity to take care of Uncle Jack's funeral services. It was an honor to be able to fulfill his last requests. I Love You! “ Dearest Millie, Just wanted to tell you how sorry we are for the loss of Jack. You and Jack were my very favorite people at Almont Manor when we didn't have many true friends. Just remember, Jack is now with Melody and can they walk together until we can join them. Much love to you and we will visit on my trip to PA for my brother's memorial. Love, Tom and Sarah Marie

“ Since the day we moved in, Jack always made sure he looked out for the two of us. We will miss his daily hello's and advice about where to eat and shop in Pottstown. He always had a great story to share and a smile to lend to both of us. Now it is our turn to take care of you, Millie. Please let us know what we can do to help. You'll be sure to smell many baked goods as the fall progresses. We're both thinking about you during this difficult time. Love, Summer and Steve
