“ To the Millard family, it was a bit of a shock to me when I heard about Randy’s passing.

One of first people I started playing with was Randy and Barry when my family moved over to Church Street. All the good times we had playing ball in marchionne’s field, Hanging out at the “corner” Climbing the ledge around the old school house before it was torn down. All of us in those days had a childhood and even in to our teen age years. Over the years when I came Home to see my parents Randy’s and my path would cross once in a while. He always seemed upbeat. The last time I saw Randy was a few years ago I was driving around town with my wife Glenda when I saw him standing outside his garage. He told me he was doing well, he was happy and Congratulated me for recently getting married. After chatting Randy found out he knew my wife because she worked at CET Engineering as the accountant, and possibly talked with her from time to time and didn’t know she was my wife. Small world. Hope to run in to some of you when I come back to Royersford we usually visit about every other month. My parents still live at the same house on church street. My prayers are with you. God has a plan for each and every one of us. Make it a great day.

“ Dearest Georgette, Mr & Mrs. Millard, Barry, Debbie, Brenda, Sharon, Eric, Barbie and Brian as well as all their spouses and extended Millard and Warwick Family. Our most heartfelt and deepest sympathies to loss of your husband, son, brother and friend. No words could ever be just right ones! I have fondly known the Millard family all my life and Randy would not hesitate to let everyone know, that he knew me since I was in diapers! I know he and my brother had a fond friendship form their younger years, with growing up together as neighbors. Al, informed me over this weekend that Randy would never let him forget his Birthday and that he should always remember it and my brother most certainly did!!! Thank you to Randy and Georgette for sharing the enjoyment of all your travels!!!! I'll never forget meeting up with you in Disney!!!! And to my friend Georgette, please know if you have a need I am right up the road! I've know you both since before you were married and I'll never forget the day you told me that you were dating Randy Millard!!!! Thank you to all the Millards and all the Warwicks to the many fond memories!!!! Please know you are all in my prayers!!!!
XOXO

“ I will never forget how excited/eager Uncle Randy was at my wedding... he kept a slight smile and even smug appearance most of the evening, but when it was time for him to pull out his laptop and show off his beautiful wife's work with a camera... you saw a man who was not only proud of his wife, but a man who was just so giving in nature to want to show us their love right away! I will never forget our dinners together and hearing about all your travel adventures... Randy always lit up when he spoke about their trips and also what they had planned next. He was quick to remind Michael JR and I that they enjoyed their trips together, but then they came right home to work hard to start prepping for the next trip.

You have taught me its about the path and not the destination that is most important. Thank you for being so kind to me, as a family newcomer, and also welcoming my daughter into your lives with loving open arms. We stopped by your home last night and she asked for you as soon as we got through the doors. We will forever think of you and pray for your family in this time of loss.
Love Always, Michael Warwick JR, wife Kristen and daughter Breezy.

“ *Randy was nothing but kind and generous to me. He and his wonderful wife made it possible for Bryan and I to travel to many wonderful locations, and we will always be very grateful. He would delight in the planning of our trips and seemed genuinely pleased to show us a good time no matter where we were headed. At that he never failed, and Id like to think he is now on the island of Kauai until the rest of us show up. I will miss you Randy.*

“ Randy was a good man. He would help you if he could. He could be grumpy if you hurt his wife. Randy loved kids. He could be a protector to if he needed to be. I know he was loved by many. I know he will missed by many. Rest in peace and keep on eye on everyone down here...
