“ Dear Nancy and family, I am so very sorry for your loss. Ray was a devoted husband, father and grandfather for many many years. He will be missed. I did not realize he served in the Army during WWII. How proud you must have been, Nancy, to have had a husband with such an great honor. I would like to come and see you one of these days if I can ever find your house. If there's any way you can get directions for me, I would very much appreciate it. My e-mail address is above. With love and sadness from your sister Wendy. My e-mail address is above.

“ Your going through the toughest time I've ever had to endure. Only time will heal the sorrow. Let your tear show your love.

“ It is with a sad heart, my family say goodbye to Ray. Ray was a constant in our lives"on the mountain." In the beginning, giving us updates on new building of houses and "how things used to be"as we passes him on our walks. Then, as we got to know and love Nan and Ray my children and my dog always looked forward to seeing Ray regularly at their house and enjoying the sameTV programes. My entire family will miss Ray very much and offer the entire Poeples' family love and comfort that the grace of God can bring.
