My heartfelt thoughts, prayers, sympathy, and condolences to Rich's sister, family and close friends. Rich and I grew up together via sports and friendship. Little League, went to Williamsport for States, football from age 10 on to undefeated seasons in Jr. and Sr. High. Basketball, and baseball where we won league championships. He was in our Wedding Party. Rich was an excellent athlete and human being. I am terribly saddened and shocked by his departure. May God bless you and may you rest in peace, Old Friend.

I recently learned of Rich's death and am sending sympathy to Mary Rose and family and friends. Rich was kind and thoughtful and became a dear friend to this freaky girl who moved to Phoenixville in my Junior year in High School. I am thankful for his checking in on me through the years. He honored my family by coming to my Dad's and Mom's funerals (1984 & 2007), which meant so much to me. He will remain in my heart. Rest in Peace dear friend.
