“ Dad I miss you so much. I love you and I will cherish all the time we spent together. I couldn't have asked for a better father than you. My life feels so empty without you but I am glad you are no longer in pain. Rest in peace Dad.

Love you, Debbie

Two years, seems like an eternity. Whoever said it gets easier must not have loved their Dad like we did. Thank you Debbie for being the strong one, even though you didn't want to let go.
