He was such a wonderful man and I remember him from when we were in St. Anns to just recently either seeing him at church or at the kids sporting events. My children remember him as well. May God give you all strength and peace knowing that he isn't suffering anymore. Cherish your memories. He will be forever in your hearts. God bless!!

“ *My dearest Tricia and her wonderful family, I have so many special memories of your terrific dad. Mostly the constant love and admiration he had for all of you - always so proud of his pack of kids! I remember him cheering us on at our Bucknell lacrosse games, dancing with your mom at my wedding and the way he would say "Tricia"! I can still hear his voice in my head. An end of a wonderful life and an era for all of us. I am very sad, but so happy that I knew him. A good man through and through. And he lives on in the hearts of all of us and with you. I look forward to hearing many more stories in the future about Dick Way. Another star has just arrived in heaven.*

“ I always enjoyed it when Uncle Dick would stand in front of the TV when everyone was watching something and then joke "what is everyone looking at me for?" I actually use this on my kids nowadays. Rest in peace Uncle Dick - Fran Way
