“ *I am really saddened to hear of Rita's death at this date. I had no idea. Rita was such a special person to me -- I will always remember her and her way of making me feel special, from the time I was a young girl. She had a special quality about her that is hard to find. If Gert reads this, please know that I mourn for your loss of your dearest friend. I will remember you both in my prayers. Much love to the whole family, but especially to you, Gert, since you are the only one who knows me. Sure do miss all the good old times we had growing up.*

Love you and miss everyone.
