“ I am extremely blown away that Riya passed away. My very sincere condolences to the family, specially to their daughters and husband. She was the happiest and smiley person, always fun to joke around and that is the memory I have vividly from her. We had something in common; that was one of a kind: speaking German and was delighted to speak to her..! She spoke fluently too!! God decided for you to leave us but you have left us with funny and good memories of you. Thank you for having the pleasure of meeting you. We will miss you. Rest in Peace, Riya. From Elinor Kottke-Singh and Family.
