“ To the Megay Family, I am so sorry for your loss. What a kind-hearted, wonderful man I knew him to be. I don't recall how we came to be in contact, but I had organized the Spring-Ford Area Flood Relief Committee - with a lot of help from my friends. Bob's presence on our trips and what he had to offer us were invaluable to us and the residents whose homes were restored. His skill, his vast experience, his nature, his sense of humor, and wisdom were so critically important to the accomplishment of our mission. Bob truly was sent to our little group by the Spirit of God. Using his gifts for the benefit of others and to the glory of God is the ultimate anyone can do. Thank you sharing him with so many. May God bring you peace and comfort in your loss. Bud Adams

“ Dear Family- we were so saddened to read of Bob's passing. He and Bill were two of a kind- great leaders, well respected Republicans and public servants. Our deepest sympathies go out to you and your family. We know the void not only you but the community feels when someone like Bob passes on. May you find peace in the days to come and that kind words and memories make you so proud. Fondly, The Deegan and Deegan-Watson family.

“ *Connie, We're so sorry to learn of Bob's passing, we'll always remember our times with him on the flood relief trips. When we shared the photos with him at Coventry Manor, the smile on his face told us that the memories were still there. May God give you strength and comfort as you and the family deal with this loss, but know that he is free from the restraints and limitations of his earthly body. Blessings, Ken & Terry Webster*
