“ I will never forget when you took me and Dave and Jason to the gun range. It was my first time ever shooting a gun and I thought I could do it one handed and you told me that it was going to throw me back and sure enough it did and my arm hurt so bad for weeks afterwards. I will also remember walking in your has and seeing you walk around in your underwear. Growing up down the street on 1st Ave I always looked up to you as a father figure. I will never forget you Mr.B. you will be missed
