“ My Dad was funnier then most think. Kinda dry humor. Stubborn Ass Irishman for sure. I will cherish the memories we have! He made us tow a line but I am pretty sure I got away with more then the others. I will remember ice cream on Sunday at the Dairy when getting milk. Fishing. Going to the bowling alley with him. He wasn't much of a talker. But there were times between us when you knew he would make everything alright. Love you more then you will ever know Dad and will miss you forever on Earth.
