“ *Bob taught me, among many, many others, hunter safety, back in 1985. He was such a great teacher, who made the whole experience fun for those he taught, all while being very serious about safety. Keeping the Hartman family in my thoughts and prayers during this difficult time. Rest easy Bob.*

“ *To the family of Bob Hartman,  
He and I grew up in the Kimberton area and shared fun times together. I have fond memories of outdoor activities shared, raising Dutch rabbits, and interest in history.  
Bob was also so kind to attend my father's funeral and spent time afterwards socializing and keeping me up-to-date on his life.  
He will be missed but the fond memories are always present. . .*

*Peace be with you,*
