“ So sorry to hear of Bob's passing. Don and I worked with Bob at P.J.Reilly for over 10 years.We loved hearing about his many experiences. Bob and I shared our love of animals so much he gave me magazine subscriptions to Birds & Bloom, Country Magazine and the Hunter's magazine. I think I broke his heart when I told him the Hunter's magazine made me sad so he stopped sending it to me. I have so many deer at my bird feeders, he joked that he would be coming over to "take care of them". I wish we could have been at the services for Bob, but my Mom's best friend had her services that very same morning. My mom is 90 her best friend was 96. Bob left us too soon. I will miss sending him his birthday card and sharing with him the adventures we see out our windows. He was a gentle man in our eyes. God bless you and your families.

“ Larry and family: I'm so sorry to hear of Bob's passing. He loved the farm so much. It's hard to think of it without him- feeding the cows, driving his tractor and loader, cutting firewood. I'll remember him sitting on his stone wall, just talking about the chores for the day... He'll be missed by all who knew him.
