“ So many fond memories of Mr Mooney and all the influence he had on my life. He was indeed my second Dad. Sledding in Valley Forge park to road trips to the Navel ship yard. Always was fun but even more importantly we all learned something from the trips we took. He had a huge influence on a lot of us spring city boys and they will stay with me for the rest of my life. THANK you Mr and Mrs Mooney for all you did for our community. And right now this big cigar and glass of bourbon is for you sir. Thank you and I love you.

“ Dear Mooney family,
Sending prayers of peace and comfort after hearing of the death of your loved one. May God give you strength.
I refer to the poem *The Dash*, by Linda Ellis for comfort. Bob had a great dash.

“ *Andy & Doug and Family,*
I just wanted you all to know how saddend my family is at the news of the passing of Pappa Mooney. While it has been many years sence the last time I saw Pappa Mooney it still seems like yesterday. All of the epic knee high football games in the basement and the foolish things we did growing up Pappa Mooney was always there to pat you on the back when you did well and kick you in the butt when you needed it. How he put up with all of us is testimony to his character as a role model all of us can only hope to live up to in some small neasure. Mr and Mrs Mooney where like second parents to me in my High School years. While I will not be able to attend the services please know you are in our thoughts and prayers. Scott Lewis

“ Andy, Doug and Momma Mooney:

The news of Papa Mooney's passing has given me a great feeling of sadness. Papa Mooney was like a second dad to me and was a great influence in my life. While I may not know exactly how all of you feel I want all of you to know that I am thinking of each of you. Reflecting back and now being much older, I cannot gleam how Papa (and Momma) Mooney had the patience and skill to handle three sons, plus others like Steve, Vinney, Denny, and myself, as we practically lived at the house on Arch and Cedar. Combine this with the epic knee-high games (Riggins, Dickerson, Gastineau, etc.) the trips to the camp ground, Phil's Bongo Room, bunning in the wings and other oddities that our young group did, and that Mom and Pop Mooney endured, truly depicts that both are Saints. While I will not be able attend the viewing, I did want you all to know that Poppa Mooney's memory will live on forever in my heart, as he helped develop me into the person that I am today. “ *I have known Mr. Mooney since age 6 when I was in 1st grade. I lived right down the alley, one block away from the Mooney's in Spring City!*

My childhood memories are filled with me doing so many things with Doug, Andy and Mikey, as well as many neighborhood kids! The Mooney's was were we all gathered, hung out, played, anything and everything! I often remember times of me going home to my house to eat and then going right back up to the Mooney's and Mr. Mooney asking me if I had to go to home to eat! My response.. I already did! I was always there!!

I was included on many vacations, trips, dinners and lunches! I was always treated as one of the family!

With that I want to say "THANK YOU" Mr. Mooney for being a father figure, a friend and a mentor! You made my childhood one that I hope all kids could experience! You gave me so many great memories to n my life, I could never thank you enough! I know I have told you that I love you!, but I will say it again! I LOVE YOU MR. MOONEY! Thank you for all you did for me and all the kids in Spring City whose lives you have touched!

Till we met again, Thank you and I will never forget you and all you've done for me!
