“ I have been suffering from Herpes for the past 1 years and 8 months, and ever since then I have been taking series of treatment but there was no improvement until I came across testimonies of Dr. Silver on how he has been curing different people from different diseases all over the world, then I contacted him as well. After our conversation he sent me the medicine which I took according to his instructions. When I was done taking the herbal medicine I went for a medical checkup and to my greatest surprise I was cured from Herpes. My heart is so filled with joy. If you are suffering from Herpes or any other disease you can contact Dr. Silver today on this Email address: drsilverhealingtemple@gmail.com

“ 12/22/2010- Poppop I woke up this morning thinking about you as I do almost every morning. It is almost Christmas time and all I can do is remember how you would come to mom with these big Santa bags..HAHA and your Christmas teeshirt on. We are going to miss you so much this Christmas. It was so weird not seeing you on Thanksgiving. There was a spot that was not filled in mom's kitchen and it was you that we were missing. I still don't understand why God had to take someone like you that was so special. We miss you sooooo much. Maliyah is getting so big and I guess it's not a secret and you probably already know that she is having a little sister. School is going well and Dar is doing good. We miss you very much and think about you all the time! Have a great holiday up there! LOVE YOU POPPOP! Heather

“ Well what can I say...having been through my moms loss and now her dear brother is taken into the arms of Christ, somehow it doesn't bring me comfort...and somehow it does. I know Bobbi and Mom are sailing in the most beautiful paradise together, hand in hand and smiling down at us. I know they are so wonderfully happy and I wish, and I hope, and I pray, that they will come back to us in someway and let us know they are watching over us. I miss them so dearly, and I am very sorry that it was his time to go he will be missed and always remembered for he was a man that knew how to live life and bring joy and love to everyone. I love you Uncle bob, can't wait to we can all be together again. ~ To all his family he left on earth.... I love you very much and try to take comfort in knowing he's free, he's free. Love Tina

“ I met Bob through my friend Chris and instantly liked him. His quick wit, humor and the pleasant way he was with people made him a joy to be around. In all the times I have been with Chris and Bob he never ceased to make me laugh. He will be missed by his wife, family and many friends. I know you are the captain of a boat in heaven. Miss you friend!

“ Dear beautiful Chris and Family, I am so glad that I had a chance to talk with Bobby before he passed. I told him how much his love for his sister Pat meant so much to her before she passed. When we all leave this gift called life the only thing that we will be remembered for is ~the love we gave while we were here~ Chris and Bobby gave love to everyone, and my beloved wife Pat in Heaven and I will always keep this in our hearts. We will meet again at the gate to Eternity Bobby and I know Pat will be there with you....

“ Poppop, I am going to miss you so much, but I know you're in a better place now, looking down at me. I'm never going to forget you Poppop. I won't forget when I would ask you for a dollar, or "who do you love? Who loves you?" or when we would go to Wawa together. I'll never forget how you would take me on the boat, go tubing, or how you would let me drive your golf cart when I was only 12. I won't forget when you would hold me in your arms, gosh I am going to miss you. We have so many memories together, and I'm so happy I get to always remember them. You were so strong Poppop, and I'm always going to look up to you. You were the best poppop in the whole world, and I love you very much. I know you're happy where you are with Gaga and your mother, and I know you're looking down at all us smiling. I'll see you again one day poppop. I love you.
