“ In 2002 I moved to Philadelphia to be closer to my mom, needed a job. I saw the add Obie put in the newspaper, this is how we met. One day driving to Philadelphia i called Obie to check on him, he said his aid didn't show. I told him if he didn't mind me in his things I would get him up, thats all it took. Fifteen year relationship of laughter and fun. We lost touch when I moved, this is hard. Thanks Obie, for everything.
