“ Alan, I did not know that your Dad passed or even Susan. I am very saddened to hear this but I joyed to know that Jesus welcomed them into heaven. Joyce was a wonderful women and I got to know all three of them at SC UMC. Bob was always very informative and full of history and Susan and I loved talking about Bible studies. They will never be forgotten and I hope to see them again some day. Your Dad was a great gentleman and I remember our talks about Jones Motor as I am still at JMC after 48 years. My condolences to you and comfort in knowing they three of them are together again.
