“ I had been trying to find him recently.... I went to high school with him and he sat at our table EVERY DAY at lunch. He was so talented and so funny and creative. ...I just learned today that he passed away. Wow.....so sorry.

I was happy to read he went to art school because even in high school he was so unusual and unique. May his memory be a blessing to all that knew him...Cathy Laskin Lyons

“ I met Bob on my first day at Hussian School of Art in Philly. We spent four years creating art, having the time of our lives in that run down building on Arch Street in the 70's. I hadn't seen Bob since graduating from art school but thought of him many times. After a long career in the art and advertising I had been hoping to get together with my old mates. RIP Bob and I am sure your many friends and family will hold you in their hearts. Peace my friend.

“ *Bob and I were together for 20 years from 1993 to 2013-we had such great times and I will always treasure all those wonderful memories we had especially all those trips we took to Hawaii which we loved it there so much. I regret everyday that our relationship ended so badly and I hope one day his family and he will forgive me. I love you guys and I am so sorry for your loss-God Bless and RIP Bob. Love always Rita.*

“ *I'll never forget the morning there was a fresh six inches of snow. I was hoping the G Lodge would be open, but no one in there right mind would be out on a morning like that. Sure enough, the G Lodge was dark, but as I pulled in to turn around I noticed Bob in there by the coffee machine. He turned the lights on, let me in and took my order. Talk about going the extra mile!*

He will surely be missed.

“ Bob had a great sense of humor. I worked many days beside him and enjoyed listening to Sinatra on Sundays and Phillies baseball games on the radio. I would frequently get into laughing fits and would try to imitate his voice and tell my twin brother the same joke. I tried but there was no way to duplicate his style and delivery. Bob was one of a kind and to me he was the G Lodge’s Harry Kalas. You will be missed and I think I might get the number 64 on a Phillies Jersey to remember the years you walked this earth. Rest In Peace.

“ Bob was an awesome guy. He was one of the first people I met when starting to work at the G Lodge and boy am I happy that was the case. As soon as I walked in he cracked a joke on me and lessened the tension of my first day of work at my first job. He always made me feel welcomed and I really appreciate that. He might have been the smallest in the room (I can say that because I was the second smallest) but man could he command the kitchen. And if you were lucky to have him cook you a meal you could definitely tell the craftsmanship he took in making each plate. He was often the first one in the morning opening the kitchen up and probably one of the last to leave, so that’s why it’s so surprising that he left us so soon. My heart goes out to his family and love ones. We all lost a good soul, but he lives on in us so don’t forget that. Thanks Bob for everything!

“ *My wife and I know Bob from the G Lodge. What a wonderful man! We loved to talk with him about the Phillies and Strathmere NJ. During my wife's recent physical challenges, he was always very caring and supportive. Bob gave my wife his miraculous medal which was given to him by his Mother. We will always treasure this gracious gift. Coincidentally, Bob and I share the same birthday, April 26th. No wonder I liked him so much! We will truly miss Bob and treasure his memory. We know that Bob will be cheering on the Phillies this season from Heaven. May God bless Bob and comfort his family. With deepest sympathy, Irene and Jim Lackman*

“ *I worked with Bob at the G Lodge for several years. We shared a lot of laughs and talks. Everyone loved Bob. When customers came in they always spoke to Bob especially about the Phillies. Bob knew everything about baseball. I told him, he should have been a baseball scout. Bob will truly be missed by a lot of people and me. R.I.P. Bob*
