“ Dear Jane and Family, I was unable to be with you the day of Bob's funeral due to a required chemotherapy treatment. I was so saddened by Bob's sudden passing and want you to know you and your family will be in my daily prayers during the days and weeks ahead. I was reminiscing about my first contact with Bob and you when we went to Virginia to paint houses with Firestone latex paint in 1960. That was a long drive, which actually started a long relationship with Bob through our Firestone transition to Occidental where I finally retired after 47 years in 2009. Having worked around Bob on a daily basis allowed all who knew him to see his life was well grounded in his Christian Faith. I will always remember his humor and genuine smiling face. He will always be held in high regard in my heart as a genuinely loving and kind man. Bob was one of those people who one feels blessed just to have known! May God lift you and your family up with his loving comfort and the grace that passes all understanding during this difficult time. In Christian Love, Jim & Jane Frederick
