“ To the Sheehy Family...

*I wanted you to know that I worked with Bob at Save-A-Lot and he gave me my first leadership opportunity with the company. Bob was a great leader and mentor...but most of all, a good friend. I will miss the combinations of his quick wit, sense of humor, and 'brutal' honesty...usually mixed into the same sentence!*

*You should be very proud of the man he was and the legacy that he leaves behind...I have great memories of Bob and will never forget how he touched my life in a positive way.*

*Best Regards...*

“ To the family of Bob Sheehy you have my deepest sympathy I pray God has his angels of mercy watch over you all through this rough time, I met Bob almost 20 years ago when I went on a job interview for Save a lot, Bob was the one who conducted my interview...and because he felt like I was a good candidate for the job he gave me a chance and hired me, and here I am now 20 years later still employed with the company, Bob has always been a kind person but very serious at times, the first time I saw Bob after a few years had went pass was at my store on 58th & Woodland, he was so surprised to see me and to see that I was still hanging in there with the company,that made him even more proud of me, and a few months ago he thought it was a great idea for me to apply for the assistant manager position which I applied for and got the position thanks to him believing in me again, I'm grateful to have the position but the only sad part is that he wont see me at the store in action after giving me another chance to move a step higher in the company, May God bless you all and you all will be in my prayers.

“ Bob was in Ohio when I started with SAL and I could always count on him to give me helping hand when I had any questions about the stores or anything that had to do with Save-A-Lot. That help continued when he moved back to PA and I was always happy to hear his voice on the other end of the phone.

“ I had the privilege of working with Bob during my ten year at Save-A-Lot and he always found a way to get the project done no matter what the obstacle. I'll always remember the days we spent driving around Philly looking at spaces and the good times we had together. He had a way of bringing out the best in you and his team to accomplish anything that may come up. His favorite line was "There has to be a way to get this done". I not only considered him a great friend, but the brother I never had. I'll miss him dearly.

“ Bob is a true leader that will be greatly missed. I had the pleasure of working with Bob for the past 7 years and while we did not get much face to face time he always knew how to make me laugh. His passion for his job was evident through the results of his stores. He never back down when he felt something was 'the right thing to do.' He was always nice and thoughtful to me and that kindness is never forgotten. I had a great and deep respect for Bob.  
Bob never called me Abbey. He always called me Ab. I will never forget a call we had about a year ago before I went to Europe for vacation. I made the joke that I was going to bring a French man home as a husband. Bob laughed and said, 'Oh Ab, no way! I can find you a perfectly good man right here in Philly. Do not bring home a Frenchie!' I can still hear him saying this to me.  
The world has lost another great man and it just won't be the same without him. Rest in Peace good sir.

“ I will always remember Bob for his phenomenal leadership and ability to drive results. He combined a quick smile and a great sense of humor with a strong commitment to his point of view . . . and that made things spicy at times!  
There was never any doubt about his commitment to his family. Rest in peace, my friend and valued colleague, you are finally home.

*"Trina and family. I wanted you to know how much I respected Bob and enjoyed working with him and his team. I will continue to keep you and your family in my prayers. Getting to know him; was a trip and he was the 'King of Cool'. Once I passed his 'test', we could communicate with just a look. He was a great partner within my business unit teams. Bless each of you during this difficult time. I have great memories and I concur with those comments before mine." (Bill Thomas)*

*Bob was a great guy to work with and even though I work in the Corporate office in St. Louis. I would always look forward to Bob's phone calls and his humor and jokes. I will miss talking to him and working with him at Save A Lot. The Philly stores will not be the same without him.*

*My thoughts and prayers go out to Trina and his sons during this difficult time. He was definately one of the "good ones" gone too soon.
