“ Fran, this is Ken White from Doylestown. I am so sorry to read of Bob's passing and spent many a meetings at the Doylestown Rotary Club with him. Of course I also remember you and our time together as local Executives. Very fond memories of how hard you worked at VITA and how competent you were.

May the peace of God that passes all understanding be with you and your family.

“ On behalf of his friends at the Gatsme Model Railroad Club, we honor Bob and remember him for moving the club into the present. Twenty years he used his legal talent to update the corporation and secure our not for profit status with the IRS. In 2012, Bob returned to save our Fort Washington building. When that did not work out, he helped us secure our present building in Rockledge. Bob was a quiet but effective person. He applied his talents to make the future of our club possible. Our condolences to the family and may Bob rest in peace.
