“ I will miss Uncle Bob. I enjoyed his visits when he was able to be out and about. He was apart of the "Auction" Group, and apparently they were quite an amusing group (Uncle Bob, Uncle Rich, Ronnie, Jimmy and Barry). Barry would always enjoy the tubing conversations with him. He would greet me and the "littles" with a big smile when we would visit him at Manatawny. He engaged them in conversation and applauded when they would sing for him:). I remember how nice he always looked. Very handsome. Rest in Peace. With Love, Renee

“ Robert was my neighbor, though I only spoke to him a few times. Like Bob, I enjoy bowling, ballroom dancing and yard sales. I ended up with many of his tools and such from his yard sale. I installed some plumbing items of his when I re-zoned my heater. I also mounted new handles on 2 of his hammers needing some TLC. In turn, I have passed them on to 2 young boys, completing the cycle of (tool) life. I think Bob would approve. Clark Ostrowski
