“ In honor of “Pop” I would like to say a few words...as his adopted daughter, as he called me! He was one of the kindest, most caring human beings I have ever met. If I needed anything he was here in a flash. If I didn't need anything he would stop by every couple of weeks just to say hello. He was a man with a wide knowledge of the world and could entertain me easily with his stories. It was always a pleasant surprise when he would stop by. Many times he would bring us his wonderful stuffed cabbage, supplied us with cucumbers and tomatoes all summer long. Though my favorite times with Bob were his visits, when we would just sit and talk. When I married Mark, he even got dressed up to come to our wedding, which I know he hated to do! There are so many things that I could say, but they are mere words...if you knew him you loved him. Mark cared for him greatly and it is with a heavy heart that I write this tribute to “Pop.”

“ *What a great neighbor and friend. Always a smile on his face, and so dearly loved by his family and friends. We will miss seeing him walking down the street with his dogs out for a walk. He is walking on those streets of Gold now. He was always ready to give a helping hand when needed. May his family find peace and comfort in their time of sorrow. LOVE, From The Schutz Family*

For love itself lives on
Cherished memories never fade
Because a loved ones gone
Those we love can never be
More than a thought apart
For as long as there is a memory
He will live in within your heart.*
