“ *We miss you Uncle Robin. We have so many wonderful memories of you. I especially love those of you picking on Mom and Uncle John. If I close my eyes, I can picture you sitting on the couch with Uncle John's head in a headlock or you throwing a little joke Mom's way...always adding "Sis" at the end. I wish that Nicolas and Natalie would have had more years with you, but we'll make sure to tell them what a special person you were and how much fun to be around you were. We'll see you in heaven someday and we take comfort in that. We'll always love you.*
