“ Dear Keith, Bill Garvey here, a old friend of yours from Unisys. I have just seen this obit of your father. Granted it was years ago now but it still hurts. You father was my first boss and he was a super one. A great guy that I learned many great things from. May he Rest In Peace. May you be that ace of a person I knew. God Bess you all.... Funny thing, you might never see this but who knows. Makes me proud to say I admire both you and your father..... Garv.

“ My journey in the military was very similar to Fred Anderson's, Ft. Devens, Sinop, Vint Hill Farms and finally the USNS Robinson. I don't remember Roger specifically but he had to be "in the mix" with some really great guys sharing some wonderful times. Please accept my sincere condolences on your loss.

“ My condolences to Mr.Bauer's family. "For there exists hope even for a tree. If it is cut down, it will sprout again, and its twigs will continue to grow. ..If a man dies, can he live again?... You will call, and I will answer you..." (Job 14:7, 14-15) May God's promise of a resurrection comfort you during this difficult time, just like it did Job.
