“ Ree Ree!! My sweet beautiful friend...u were truly a sweetheart & I am so thankful & blessed to have known you for the past 20 or so years, all the way back to our IRS days! I'll always remember our Friday happy hours at Flatspin, Howard always ordering his Cuervo, texting each other during Eagles games & cheering together when they scored or booing together when the other team scored & just the good times with both you & Howard with both of you just always making everyone laugh & smile. Howard, you & Ree were meant for each other & so great together! I love you guys & Dot & I are sending are love, thoughts & prayers to you, Howard & Heather & all your beautiful grandbabies, of whom Ree was always so proud of. She would light up talking about her grandkids :) I'm gonna miss her dearly but I know she is with the angels, watching over all us. God bless.

“ I have soo many memories but one of my favorites is when me, you and Cheryl got our tattoos together. Ours for when we turned 30 and yours for your 40th. Then we showed them off when we went to Wildwood for vacation! Will always cherish those memories.
