“ *I met Ron at Delaware County Community College in the early 1970's. We became good friends there; he always had a smile, a great laugh and kind words. Ron would stop in occasionally at a mutual friends shoe store in Wayne and I would receive a phone call from the owner later saying Ron was just in and said hi. I passed your street many times traveling from Sanatoga to Havertown with my wife, smiled, and said that's where Ron and his family live. God Bless you Ron and your family.*
