“ As time has started to go by I find myself still looking for the answers to why you? An why so soon? So young? But I find my mind filling with all the thoughts memories and good times when the days of us being young and making forts playing video games and listening to motley crue. I remember all the good times and cherish our time spent together. I can only say that I will always love you and I know you are in a happier place. Give your mom my love and hide the remote from poppy for me. Until we meet again I know you are watching over us.

“ As a next-door-neighbor to both Ronnie and Renee for many years, I feel lucky and blessed to have known them both. From "playing in the dirt" with Renee, to hanging out on the deck laughing my sides off at something Ronnie would say, we had a lot of good times. I still miss Renee, and now miss Ronnie, but I take comfort in the fact that they are together at last while we, their friends and family, are left behind to wonder why. To Ron, Jeannette, and all of Ronnie's family and friends I extend my deepest sympathy and hope that in time your memories will comfort and console you.

“ I am going to miss you! I don't have many memories of your mom because she passed when I was so young, but Mom-mom Rachele, my mom and you keep her alive in my mind. You always made me smile whenever I saw you. You never missed calling me on my birthday. You made me feel like I mattered. I don't know why you were taken away from me so soon, but I know that you, Poppy, and Renee are always watching over me, and I promise I won't let you down in what we talked about. I will stay on track. Just know you will always be in my heart and I will carry your memory, warmth, and teachings with me for a lifetime. I love ya!

“ I don't even know what to say! I was shocked by this loss. Every time I saw Ronnie he had a beautiful smile on his face. Was full of love you could tell. I know he is with his Mom and his Grandfather I am sure. May he rest in peace and stay in our hearts with memories. Till we all meet again!
Love you!

“ ~@{~,~~To My Cousin Ronnie~~

*We know you will be always here.
As we keep your memory alive and near.
We think of you and your smiling face.
Remembering just what he did take,
So young, so soon for this fate.*

*In our laughter, and in our tears,
In our hopes and in our fears.
In our hearts and in our dreams.
In our memories for eternity.
You are always with us and will always be.*

*Let's live for Ronnie, tonight and forever
Let's make a pact to not forget him,
But live our lives, and live them full.
For to do any less as you know he would think is bull.
Keep him alive by living your life.*

*We remember you Ronnie, we remember your life.
So full, just bursting with laughter, fun, wisdom and insight.
Just loved your family, and your friends.
Loving, loyal.
So much so I wish this was not the ending had.
We will remember you Ronnie forever and always till the end.*

I love you always,

“ *Ronnie always had a smile on his face, he was a great guy. I worked with Ronnie at VGI, one Halloween he came dressed as a French maid, always made people laugh. I will miss that. Rest in peace.*
