“ Gina and Family, I am so sorry for your loss. I met Ron way back in 1973. We started Synthane at about the same time and he was one of the very first people I met there. We worked together for 14 years and I had the great opportunity to play softball with him for several years. Ron was a great listener and ready with kind words and good advice. But the smile was what I remember most, a smile so great that you knew it came from a very warm heart. Ron was a great friend to my husband, Bob, and he will be missed greatly, even by those of us who have not had the privilege of seeing him much in the last several years. You are in our prayers. God Bless.

“ Growing up, Carly's friends spent a lot of time at the Postell house in high school just hanging out. I'm sure we gave Ron and Gina a lot of grey hair! Back in those days, I remember the best times with the Postell family. Ron always had a smile on his face and was always joking about everything. His attitude was so positive and lighthearted. I can only hope to have an outlook on life similar to his. He was such a great influence and an all-around great person to be with. His loss is greatly felt. I am thinking about you all during this hard time. xoxo Love, Laura

“ As a young child, you grow up around your older siblings and family members. I was blessed to have Uncle Ron by my side from my early days & I am blessed to call him my Godfather. His amazing personality and contagious laugh will live on with us forever. He had such wisdom to share with all and admire the 3 women in his life so much.

Gigi, Steph, and Car (& of course the newest additions to the family - the boys), I love you all forever and always and don't know how I would get by without you. Our family is so strong and it starts from the top with my parents and yours, and all the way to MomMom Dina and PopPop Lino! From the Jersey Shore to the Finger Lakes and any and all costume parties we have, we know how to have a good time. Here is to a good time in the future while always remembering Uncle Ron and having his spirit live within us. We will always remember you and live vicariously through you. Your wisdom and gentleness is something I will hold on to forever and I will look up to you everyday. Stay with us and shine down forever on your family <3 I love you all.

“ To our family, Ron was a wonderful Brother-in-law, uncle, and friend. We will always cherish the family memories on holidays and picnics, our travels to the beach, wine country, Florida and many more. Ron will always be loved dearly for his caring and compassionate personality, always willing to help everyone out with anything at all! Ron fought his battle with cancer with courage and dignity and we know that his soul is at peace. Ron will live on in our memories forever.

“ *To The Postell Family*

I have not seen Ron in many years but have many good memories. He was a good friend of mine in high school and after. I also worked and played ball with Ron. He was a heck of a third baseman. My thoughts and prayers are with the family. May God be with you in this time of sorrow. RIP Ron.
