“ Denise/Ted and family..... Denise, so sorry to read about your mother. It is a very sad time to lose someone you love and even more so, a parent. Alzheimer's and/or dementia is an awful thing to live with and for the family to experience; I can relate exactly to this as my dad had dementia. Please know her suffering has ended. Prayers are with you through this time. // Diane & Walt Uron

“ May the family find comfort in your loving memories, and in knowing that God is "near to those that are broken at heart; and those who are crushed in spirit he saves." (Psalm 34;18) With sympathy,
