“ *Deb, Marty and families,
I just heard the sad news. I am sorry for your loss. I apologize for not sending flowers and contacting you sooner. We were neighbors for over 30 years. Roz was always young at heart, ready for a game of pinochle and a wonderful person. She will be missed.*

“ *I am so sorry for your loss. I only had the pleasure of knowing Mrs. Cohen for a few years of working at Spring Mill, but I feel blessed to have had that time of getting to know her. She was always someone I looked forward to talking to. I'll miss her terribly*

“ *Mrs. Cohen welcomed me to Coatesville, shortly after I was hired to work at the VA Hospital in 1976. I will always remember how gracious she and Dr. Cohen were toward me. She was an inspiration. I'll miss her.*

“ I knew and loved Roslyn for a few years while we attended T.O.P.S in Coatesville, Pa. She had a lovely sense of humor and was a very caring person. Both of us had darker hair then as it was about 15 or 20 years ago. Ellen

“ Debbie and family,
I am so sorry for your loss. Your mom was an amazing person and she will always hold a special place in my heart. Roz always took the time to ask about our girls and I will miss chatting with her each morning. It was a priviledge to get to know her over the years. Love,
Georgia Marchionne (SMSL)

“ Deb and Marty,
I am so sad to hear about your Mom's passing. She was my absolute favorite resident/patient. Roz always took the time to chat with me and ask how I was doing. I will forever miss the two of us waving to each other from opposite ends of the second floor; and I will miss talking to her in the morning at the fountain as I walk my patients. You're a wonderful woman Roz. Love, Marybeth McNally (Genesis Rehab).
