“ What a beautiful video of Ruth and the family!
I am so very sorry for your loss and will
always remember those Christmas holidays
with all of us singing Christmas carols around
the piano. I hope that the wonderful memories
of Ruth Ann will help in healing your hearts during this difficult time.

“ I've know Ruth Ann since we were in elementary school together. I can't begin to tell you how many hours I spent at Ruth Ann's house. They had a TV in the 50's and we did not. We loved to watch the "Jackie Gleason Show" together at her house. We lived right across the street. She and I spent most weekends playing Canasta on her bed, or playing duets together on the piano. Sometimes we played trios, along with my mother, on my piano. We made what we called "bum soup" ...taking the ingredients and the pot along with us on hikes in the hills behind our homes. She liked to make Chile Con Carne if her parents were out, so everytime I make it to this day I think of her. From the notes that you wrote for her, Walt, I could tell you were a devoted husband. My husband passed away from dementia two years ago so I know how difficult that was for your family! Just remember that it takes only a MINUTE to get a crush on someone, an HOUR to like someone, and a DAY to love someone, but it takes a LIFETIME to forget someone! Hold onto the happy times and be thankful that Ruth Ann was part of your life! God Bless you and your family.

“ I have so many memories. "Mom" has been a part of my life since I was a little girl. She was a saint letting Cathy and I have endless sleep overs, taking us roller skating and just always making sure we had fun. She will always hold a special place in my heart.
