“ Ruth, Doris and I were the three musketeers through the years. All for one and one for all. We were friends through Jr and Sr. High School Ruth and I rode the school bus together. We went to each other's homes, went to the movies, the sale/Zerns, we walked around High Street on Friday's and shopped together. I was her Maid of Honor at Her wedding with Kenny. We shared Christmas at our Christmas Parties and my brother, Andy was the bar tender. I'll never forget the six of us at Cruzin the Beach in OC each year and Octoberfest at our beach place. We had lots of laughs and fun. I could go on and on. I will miss you Ruth Ann until we meet again. My heart goes out to Kenny and Tina. I pray you find comfort in your memories of her and you both are in my prayers.

“ *So proud to call RuthAnn my friend. Her sense of life has been enlightening and her relationship with our Tracey has been a true gift. Wish we could have had more time to talk and laugh together. Will miss her, but will be able to share special times and memories with Ken. God bless him and Tina as they were truly the loves of her life. RIP dear friend. Linda Knox*

“ It was such a pleasure having Ruth with our Meals on Wheels program. In the 71/2 years she volunteered with us she really looked after the seniors she delivered to. She showed her tough and tender sides and her big big heart. We will miss her terribly and remember her fondly. Thank you Ruth for sharing yourself with us.

“ We met in Brownies & became friends. We stayed friends over the years, thru school, & adult hood. We did lots of things together. Some I can share, some I cannot. She watched my children I watched her daughter. We did have our differences at times but we remained friends always. Patty made it a third friend so we were the three musketeers. Now their is only two. We miss you Ruth, but now we know how old you really were!! Love Doris.

My deepest sympathies are with you, Kenny, and Ruth Ann's daughter, Tina. I was extremely saddened to learn of her sudden passing recently. I remember her well from high school and several times throughout the years when we met in passing to share conversations. I was so glad to be able to connect with her again, at our 50th High School Reunion five years ago. We also enjoyed dinner while attending our Committee Reunion Dinner last summer as she shared your latest vacation trip. I had the pleasure of meeting you five years ago while we all enjoyed breakfast at Sunnybrook, after our 50th Reunion. You are Tina are in my prayers, and may God be with you both throughout this very difficult time.

“ *Kenny and Tina I'm so so sorry. My heart is completely broken. She was such an amazing woman that could love hard but put you in place when needed. I loved her so much and i learned so much from her over the years. She truly made the greatest chocolates and peanut butter cups. I looked forward to Easter because of her. Tina thank you for sharing her with me. I'll cherish my memories of her forever. I'm so sorry.*

Kenny and Tina, you have my deepest sympathy, and so sorry for your loss. Ruthie and I were classmates, sometime good, most times bad, but she is with her great architect of the universe, I remember seeing her and Kenny at various Masonic functions. Always light up when she came in. I for one will definitely miss her. RIP DEAR FRIEND.
