“ I met Ruth many years ago when she was displaying her gorgeous artwork at our charity event. That evening, as I expressed my love for painting to her, and my desire to learn how to better my efforts, she generously offered her talents to me. I was at her home weekly. What a gift she gave to me. I went on to sell many of my pieces. I will treasure those times until we meet in art class in heaven. She inspired me with her kindness and spunk. A treasure.
