“ Wendy,

My prayers and thoughts are with you and your family. I did not have the pleasure of meeting your mom, but I have been touched by our conversations of her over these last several months. May the Lord be your strength, the Holy Spirit be your comforter, and Jesus be your light during this season and fill the voids in your heart, mind and spirit.

*Peace be with you,
Juliana*

“ *My most sincere condolences to Wendy and her family regarding the loss of her mom. Wendy and I often shared our “mom” experiences. We were both so fortunate to have been blessed with the most wonderful moms. I know how significant a loss this is. Sending prayers, love and hugs from Arizona .*

My thoughts and prayers go out to Wendy and her family members. Loved the many stories Wendy shared about her mom and dad. Having lost my mom at age 94, I know the blessings of having our moms so long in our lives, and the sadness and pain of losing someone so special to us. Keep her in a special pocket of your heart as she will for you. Sending special loving thoughts to you, Wendy.
