*Bev, your mother died on the same day as my dad, only 34 years apart. Do you know I remember her as plain as day - this picture captures the same "mom" I knew back in the 60's when we were little dancing fools. Have thought about you many times over the years and wondered how life's been for you. So sad to see that you lost Dennis. If you get this - a year later - please get in touch. I've lived in Ohio since college. Can be reached at [susan.bednar@att.net](mailto:susan.bednar@att.net). God Bless, and tell Bonnie hello.*

What a great lady - I will always remember her innate goodness, her many kindnesses to my family, lively conversations about life, never death even in the face of it, and always, too, her deep and abiding love for each of you. Peace be with you. Rita Addessa (Dot Brady's niece). November 2012*
