“ Ryan,,you have and always will be so very special to me. I have in my heart and mind, so many precious memories of you. You were such a warm and loving person from the time You were born, thru your teenage years and adulthood..I'll never forget the night in Royersford when you were in Highschool and I spent time there with your Mom and family....and you said quietly to me one night..."Ruthie, I brought a pizza home especially for you". Love you RY, Rest In Peace ❤️
