What a beautiful video! It was so nice to see photos of her when she she was young. Family meant everything to Sarah, and I loved seeing photos of her surrounded by family, especially the grandchildren and great grandchildren that she loved so much. I'm honored to have been included among these photos with her other fellow North Penn Hospital friends. Sarah was a very generous and caring person with a great sense of humor and she will be deeply missed. Thank you for making this video, it brought tears to my eyes.

“ My deepest condolences to the entire Greger family. I am Rose, one of Sarah's friends (grand-daughter), and I have known the Greger family for about 25 years. I know Ms. Greger as Grandma. She was an amazing and strong woman. Grandma always welcomed me over the house, we went to yard sales and flea markets at church, and she always held a great conversation! I will truly miss her talks, her funny stories, and her kindness. Rest in peace Grandma! Until we meet again...
