“ *It seems so unfair that death should have the power to take away someone you love. And when it happens, the thought of never again being able to talk to, laugh with, or hold your loved one can be most difficult to bear. That pain is not necessarily erased by being told that your loved one is up in heaven.*

*The Bible, however, holds out a much different hope. The Scriptures indicate that it is possible to be reunited with your dead loved one in the near future, not in an unknown heaven but right here on earth under peaceful, righteous conditions. And at that time humans will have the prospect of enjoying perfect health, and they will never have to die again. Isaiah 26:19; Psalm 37:29.*
