“ *Our hearts and our prayers go out to the Weaver family. Over the years the bond that has happened brought feelings of more than just friends, as you all feel like part of the family.*

God has given us the promise that we shall all be together again some day and we truly believe that. We were all blessed to have Sharon in our lives. I will never forget that smile and that cute laugh when she got one over on you. Normally that happened when we were playing a competition type game. It was only funny though when she was on your team. Sharon we love you and we will see you later.

“ *To all the Weavers....our thoughts and prayers are with you all during this time. She was a beautiful soul and is gone too soon from this physical place.*

She had the ability to always make you smile and would always give good advice. She will also be remembered in the Keeler household as a killer game player who everyone would want on their team, because you know you would win.
