“ My sincere condolences to Tommy, Angela, Erica and the rest of her family. I met Sharon 5 years ago at the dog park when we both adopted our dogs. They played in the park while we talked. At one point, our dogs weren't very interested in the dog park so Sharon and I walked with our dogs almost every day for years. We picked different locations weekly. She was a character and always made me laugh. We had alot of fun but also had some deep, serious conversations. She was so proud of her family and how much her daughters have grown. She spoke of Tommy with love. My dog, Chase adored her and ran to her when he saw her car. I know Sharon helped me get through this sometimes lonely pandemic. I can only hope I did the same for her. My walks are lonely now. I miss seeing her. I feel like I lost a true friend. I pray that she rests in peace.

“ My deepest and most sincere sympathy to Tommy, Angela, Erica and family. I learned of Sharon’s passing today. I am shocked, numb and in disbelief. Sharon was kind, caring and enjoyed her special dog friends at Cuddy Park. My dogs Winston, Ava and Gunner loved her and many times went crazy when we pulled into the park and Sharon and Marcy were there already. Many times Sharon came to the park early in the morning because she didn’t want me to be there alone. Sharon really enjoyed the times my grandson would come to the park. Often times she had something in the car for him. When Sharon talked of Tommy her face would light up, it was no secret he was the absolute love of her life. She was beyond proud of her daughters Angie and Erica. She was a mom that cared enough to ensure her girls were happy and wanted them both to live a good life. Sharon was a matter of fact person a trait I really admired of her but she also had a gentle nurturing way as well. She was always there to listen especially on days I was sad with the passing of my son, a day they both share now. I will forever cherish the times we shared. Rest peacefully my friend.

“ Tommy, Angela, Erica, Marianne, Jeff and extended family, I'm so very sorry to hear about Sharon. It just doesn't seem real, we just saw her. She will be sadly missed by so many people. She was a pistol, one of a kind, always there for everyone kind of person. Her talents at work will be greatly missed too, she always caught everyone's mistakes and tried her best to make everything perfect. A true force to be reckoned with. I truly loved her and am honored to have had her as a friend and coworker. Many happy memories. Good hard working, down to earth, tell you like it is people are had to come by. All I know is we all just received another guardian angel.

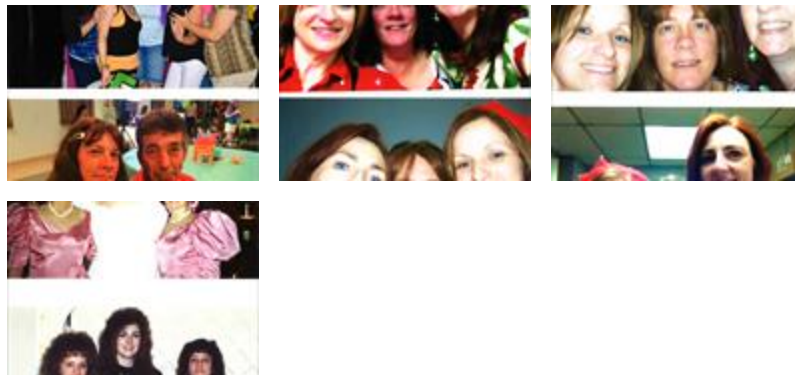

May God Bless you all...and give you the strength during this extremely difficult time.
