“ Sharon & I worked together at the P-ville Hospital when we were in high school and we followed each other after graduation to the American Baptist Convention in Valley Forge. We did everything together and Sharon made sure that Joe was at every party or get together we had because she knew I liked him. We had a lot of fun together and she was definitely my matchmaker. I was in her wedding, she was in mine. I haven't talked to Sharon in awhile, but I'll never forget her because she was a very important part of my life. Whenever I think of you Sharon, I will remember you with a smile. Rest easy my friend and say hello to my dad and brother Frank.
