“ *Our thought and prayers are with the Connelly family and all those that will miss Shiela. Our children were childhood friends and I was always happy to see her at PMA when I was worrying about a sick child. When we talked it was always about our kids, and she was so proud and devoted to hers, I always like that about her. So sorry for your loss.*

“ My heart goes out to you all. I was so sad to hear about my dear friend. I will always remember her sweet smile and kindness and yes going out to lunch. Most of all her strength and courage and all she endured and never complained. She just amazed me and I would tell her that. I will surely miss her. You all have wonderful memories to hold onto. May God comfort you as you grieve.

“ Dear Erin, Sean, Brendan, Kerry, Kevin and all of your family members,
Tom and I are so sad to hear about your Mom's passing. She was a wonderful person and we enjoyed knowing her as a friend, neighbor and in her professional capacity as the nurse at our pediatricians office. She was always friendly, helpful and welcoming! Even with her own busy life she also welcomed even more children into your home as your friends were also invited to come over. I know Adam spent many enjoyable times at your house. Your mom left people with many warm memories of shared times. I know she will be missed by many. Our thoughts and prayers are with all of you.
