“ Ricky, Kim, Ginger, Mouse & Harriet.. I feel like I lost a member of my family. Shirley was more then my best friends sister, growing up she was like a sister to me, an aunt, and there were times she played the role of Mom and set Sue and I straight... My memories are plentiful of wonderful times we all had together through the years and my heart is filled with great sorrow. However. I smiled the day Shirley went home..knowing she was being embraced by her parents and Butchie, Judy and Sue..you know that had to be one heck of a reunion!!! Shirley is now pain free, all her worries and troubles are no longer, she is now another guardian angel we have watching over all of us..she is only just a prayer away, and will always live on in our hearts... Love you all very much and if you need ANYTHING please do not hesitate to contact me... My sincere Sympathies and Much Love ,, Kelley (Rowan) & Dave Williams
