“ Dear David Fulmer, I noticed through the newspaper obituaries that you recently lost your beloved mother Shirley. This is no doubt a sad time for you and your family, a time when comfort is most needed. I can truly empathize with your loss as I too recently lost my mother- she was only 69yrs old. Many reached out to me and my family after her death even total strangers. I needed and appreciated such comfort. I determined that given the opportunity I would reach out to share an encouraging word with others in the same situation. Your mother was obviously a woman of strong faith based on church activity. So I thought it appropriate to share a biblical promise made by Jesus regarding those now sleeping in death. It can be found at John 11:25 and it says regarding the future resurrection, "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." What a grand hope that of being reunited with our loved ones when they are free of the effects of sickness and old age! May this promise comfort and sustain you in the days ahead. Sincerely, Mrs. Jones

“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all.
