“ *Shirley was truly one amazing woman. I remember her vibrant spirit and her laughter. When Wendy and I became friends in high school, she immediately made me feel like part of the family. Brian and I rented one of the apartments above the store, and what a true gift it was to have both she and Jack Reese be there to help us begin our life long journey together. From the bottom of our hearts, we send you our love and pray for your comfort during this time of loss. She walks in a beautiful place and will forever remain in the hearts of so many she touched with her smile and warmth. Lovingly, The Knauer Family*

“ I want to share a very vivid memory I have of my dear mother in law. Her, Bob and I laughed about this many many times over the years. When I went into labor with Justin, her and Grandma Kemper immediately drove up to Newport, RI to be with Shaun and Jessica and meet the new grandbaby. After I got home with him I was sitting in the living room and I hear this crash coming from the kitchen and all I hear is laughter. I go into the kitchen and see Grandma Kemper laying under the kitchen table (the chair had fallen apart causing her to slide under the table) and my husband and mother in law standing there laughing so hard. Now Grandma was laughing too but I said did either of you ask her if she was okay before you started laughing. Which caused them to laugh even more. Oh how I can hear my sweet husband and dear mother in law laughing about this.
