“ Dear Sophie, I miss you so much! Your wonderful wit and our long afternoon discussions at Ruth Chris's. Going to 30th Street Station in NY and going to Sardi's to get a martini! I visited you and you had a chance to meet my Son, Justin right before you went to heaven. Your memory lives on in our family. You touched both me and my husbands lives with your wonderful husband Lou. We shared a memory at the Valley Forge Theatre in You have left a wonderful historical imprint in our lives! We will tell your stories and the times we shared together, to our families! Thank you for being a wonderful "Mentor" and a guiding light to me and my husband! I have a big space in my heart for you! Love, The Coopers of Blue Bell
