“ *My heart and prayers go out to Steve's family. I went to high school with Steve. I had not seen him in many years, but can tell by his pictures that he was happy and loved by everyone who knew him. Someday, we will see our loved ones again in Heaven. “ *I have known Steve since his high school years. He always had a smile and a kind, or sarcastically funny, remark for everyone. He was a huge presence in our district, and he will be greatly missed. He was truly one of a kind. A light has gone out in the SF community. My prayers go out to the family. Marion Pergine*

“ *My most heartfelt condolences to Steve's family, friends, and colleagues. It's been probably 25 years since I've seen Steve, but even I feel a loss. Growing up in not just the same school district, but the same church, our paths crossed frequently. I would have liked our paths to cross again. Miss ya Steve*

“ Steve
You have been a part of my life for a long time. 3 1/2 months ago I saw a change in you that was when you met your nephew Simon. The amount of love you gave him blew my mind. I am saddened by the fact that you were taken away from your family and friends so young. You will be missed.
Love ya

“ Steve was a wonderful neighbor and friend. We cannot believe he is gone. My husband and he would stand in the middle of the street talking and razzing one another. Just that morning my husband was kidding him about his mulch and he was saying back our lawn needed mowing!! We will always remember our wonderful times on our back porch with Jen and him. We will miss him dearly. Words cannot express.... All our love to his entire family. Brien and Linda

“ Steve was one of the nicest people I've ever met and invaluable representative of Spring-Ford. He had such a positive and profound impact on so many people. And though he was outstanding at what he did, he was even more outstanding as a human being. Prayers and condolences to Jen, Ashley and Austin. I am so sorry for your loss.

“ My prayers to the entire Bonetz family. I am so deeply sorry for your loss. It is such a shock. I still can't believe we won't see his smile and hear his voice. My sincere condolences.
I worked with Steve for many years at Spring-Ford in the Technology department and he was the light of the department. You could always count on him for a laugh and a joke! He made such an impact on the school community and beyond. He will be sorely missed but I am so blessed to have known him.
RIP Steve.

“ Steve brought me into the RCTV family and gave me an opportunity I never imagined. I will miss his amazing smile and sarcastic wit. As I'm going through all of my photos, I'm realizing this guy never took a bad picture. Heartbroken is an understatement. . .

“ I have known my good friend Steve for the last 25 years if not longer. I can't believe that you are gone. I keep thinking I will come up the stairs at school and yell "SBONE" to you in your office. I am keeping prayers for Jen, Ashley and Austin who were the lights of your life. The world is a little less brighter without you in it. Rest easy my brother.
